## Introduction to Zakat and Taxation

### Course Introduction

Currently, KSA executes one of the most ambitious and remarkable tax reforms in the world and has successfully implemented taxes on the Federal level in the form of Value Added Tax (**'VAT'**), Excise Tax, and Zakat.

This program is designed to provide the participants with a strategic overview of the **ZAKAT** and **VAT**, including calculation, accounting, and other underlying principles. The course aims to equip participants with the practical aspects of tax laws in the Kingdom to fully understand Zakat and taxation mechanisms.
