## Creative performance in strategic deadline

### Course Introduction

In today's fast-paced business environment, meeting strategic deadlines while maintaining a high level of creativity is essential for organizational success. This intensive **three-day** course, "Creative Performance in Strategic Deadlines," is designed to equip managers, team leaders, and professionals with the skills and strategies necessary to balance tight deadlines with innovative thinking. Participants will explore the dynamics of strategic deadlines, learn to overcome barriers to creativity, and develop actionable strategies to enhance their performance under pressure.

The course combines theoretical insights with practical exercises, including case studies and group activities, to foster a deep understanding of how to integrate creativity with deadline-driven tasks. Attendees will gain valuable tools and techniques to manage their time effectively, implement creative strategies, and continuously improve their performance in high-stress situations.
