Writing Effective Legal Documents and Commercial Contracts

Course Introduction

This comprehensive **5-day BOOST** course is tailored for professionals involved in the drafting, review, and negotiation of legal documents, particularly commercial contracts. The course covers essential legal writing techniques and an in-depth understanding of various contractual clauses, such as indemnity, force majeure, and confidentiality, ensuring compliance, clarity, and legal soundness.

Participants will gain hands-on experience drafting contracts and legal documents while learning strategies to manage risks and mitigate potential disputes. By the end of the program, participants will be equipped to create, review, and negotiate contracts with confidence and legal proficiency, enhancing their contribution to business operations, compliance, and successful negotiations.

This training addresses the full lifecycle of legal documents, from initial draft to contract review, and focuses on practical aspects of legal document creation, enhancing clarity, compliance, and negotiation. Real-world examples and exercises will empower participants to identify risks, improve their legal drafting skills, and ensure that contracts meet business needs and legal standards.
