Time Significance: Time and Self Management

Course Introduction

If it's your job to eat a frog, it's best to do it first thing in the morning, and if it's your job to eat two frogs, it's best to eat the biggest one first. - **Mark Twain**

Time Management

You will discover in this training program why time management is not just logical; it's emotional. And how to take control of fear, worry, and guilt so you can make better decisions & what Permissions you must give yourself so you can have more peace, reduce stress, and get more done in less time by using the newest practical tools. Procrastination is such a big problem that there are numerous studies of it. If you are a procrastinator, I urge you to 'eat the frog first. 'The biggest thing that you need to get done. The thing we most avoid. The goal you haven't started on yet. Or the next big step you need to take on the way there.
