IOSH Managing and Working Safely

Course Introduction

IOSH Managing

IOSH Managing Safely is designed for anyone in a management or supervisory role, in any sector or country. The IOSH Managing Safely course provides the essential knowledge and understanding of how to manage health & safety responsibilities in the workplace.

IOSH Working Safely courses are designed to improve the safety culture within an organisation and provide employees with an understanding of how their actions contribute to safety, health, and well-being, as well as their individual safety responsibilities in keeping themselves and others safe at work.
