Contract and Commercial Management Practitioner (CCMP)

Course Introduction

This five-day course is designed to provide participants with a comprehensive understanding of contract and commercial management best practices. The program equips practitioners with the knowledge and skills to manage contracts effectively throughout their lifecycle, from negotiation and drafting to execution and compliance.

The course emphasizes risk management, commercial negotiation, and performance monitoring to ensure optimal outcomes for all stakeholders. By blending theoretical insights with practical applications, participants will gain valuable tools to enhance their organization's contract and commercial management processes.
