Certified Expert Facilitator Masterclass

Course Introduction

Facilitation today is a critical leadership and business capability — essential for unlocking collective intelligence, driving innovation, aligning teams, and navigating complex organizational challenges.

The **Certified Expert Facilitator Masterclass** by **BOOST** is an intensive, high-level training experience designed to transform experienced professionals into master facilitators who lead outcomes-focused, transformational sessions.

Participants will move beyond traditional training techniques to master strategic facilitation models, advanced group dynamics management, conflict resolution, stakeholder alignment, and the art of leading collaborative innovation.

Throughout this journey, participants will practice live facilitation, receive expert feedback, and develop a strong, adaptive facilitation style that fits today's complex business world. This program prepares facilitators to lead not just conversations — but change, innovation, and strategic decisions.
