## Certified Contract Manager

### Course Introduction

In this course, delegates will understand the structured process of how to build a marketing plan customized for their situation. They will find out how marketing planning works and how they should document their ideas in a marketing plan. They will become competent in developing a marketing plan by going through a number of stages of the marketing planning process. They will work with practical checklists at each stage that enable them to formulate the right questions.

**They will master the key elements of a complete marketing plan.**

- ✓ **BOOST** Certificate of Attendance for delegates who attend and complete
- ✓ Accomplish the certificate for PMI
