Legal Consultation

Course Introduction

This program from **BOOST** is designed specifically for in-house legal professionals to enhance their ability to provide effective internal legal consultation within organizations. It focuses on enabling legal teams to act as strategic business partners, delivering clear, practical, and risk-aware legal guidance to internal stakeholders.

The course emphasizes internal advisory practices, including supporting business units, aligning legal advice with organizational objectives, managing legal risk, and ensuring compliance, while maintaining professional independence and ethical standards.
